Dear Parent(s)/ Guardian,

### **Assessment Information for School Based Assessment in Term Two for Sec 1 Students**

In an earlier letter dated 26 Jan 2022, we have communicated to you the changes in School Based Assessment practices for our School since 2019. We hope that the changes and new learning experiences will trigger the students' intrinsic motivation to learn and nurture them into life long learners.

Given below in Annex A to Annex C are the Secondary One Express, Normal Academic and Normal Technical assessment information in Term Two for your information and continued support. As your child/ ward may be taking subjects from different streams, please kindly refer to the relevant information in the respective streams as you guide your child/ward in his/ her assessment preparation.

Yours sincerely,

---
