2022 GCE N Levels Results Release

19 December 2022

Welcome Back!

Release of N-Level Results (2022)

Dear students,

As we gather here today, let us all celebrate our efforts!

Finally, we are going to get our results!

Think about your opportunities

Are we all going to be okay?

Remember that everyone's learning journey is different but we can each have a fulfilling outcome!

No matter the circumstances, there is always a way forward.

Stop

• Calm yourself down. Take a few deep breaths.

Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the N-Level is one part of your life journey and not the destination.

Do

- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision and take action based on your options.

When you receive your results, you may experience a range of emotions.

Managing these emotions well will allow you to stay calm and make rational decisions. Keep a lookout for some of these signs in your peers or yourself.

- Increased irritability, restlessness, agitation, stress and anxiety
- Sending or posting moody messages on social media
- Talking about death or dying
- Reacting differently or gradually losing interest in things they used to like
- Eating more than usual or having a much reduced appetite
- Sleep pattern changes with difficulty falling asleep or oversleeping
- Slowing down of energy levels

If you notice any of these signs in yourself or your friends, have a chat with your school counsellor or teacher

Or contact SOS 24-hour hotline at 1800-221-4444
